- Mission / Vision & About the Department
- Events

Vision

To establish a premier center of academic excellence dedicated to nurturing ethical, empathetic, and visionary public servants who are equipped with deep administrative acumen and committed to driving positive societal transformation and national development.

Mission

To deliver a well-structured curriculum integrated with civil services exam preparation that fosters critical thinking, problem-solving skills, and a strong foundation in governance. ASCS is committed to instilling core public service values—such as integrity, democratic principles, and social welfare—through rigorous mentorship, professional skill development, and active engagement in civic and extension activities.

Core value of the Department

The core values of the Amity School of Civil Services (ASCS) are rooted in ethics, civic responsibility, and academic rigor. At the heart of the department is a commitment to integrity and ethical governance, ensuring future public administrators uphold fairness, transparency, and high moral standards in public life. The department actively fosters civic responsibility and social awareness through community extension projects, digital safety drives, and welfare campaigns. Democratic principles, constructive debate, and inclusivity are central to its academic culture, encouraging youth to critically analyze contemporary governance and societal issues. Furthermore, ASCS emphasizes excellence, resilience, and guided mentorship, instilling a strong sense of discipline and drug-free living ("Nasha Mukta Bharat") while equipping aspirants with the perseverance needed to transform from dedicated students into effective administrative leaders.

EVENTS

Outreach Activity: Awareness Session on Cyber Crime: Its Threats and Precautions 26th August 2026 | Offline

Amity School of Civil Services has organized an outreach activity to address the growing challenges of digital security and online safety. This session focused on cyber-crime threats and preventive measures. Student speakers delivered interactive presentations covering topics such as cyberstalking, online privacy, digital fraud prevention, and safe internet practices for youth and community members.

EVENTS

14th September 2026 | Seminar Hall | Amity University Patna

Amity School of Civil Services organized Day-II of the Orientation Programme for the Academic Year 2026–27 to acquaint incoming students with academic structures, university policies, and student development initiatives. The day commenced with an insightful address by Prof. (Dr.) Sweta Priya, Head of Institution, who outlined the vision and mission of ASCS and introduced the faculty members along with faculty mentor allocations for the new students. Following this, Prof. (Dr.) Sushil Kumar, Controller of Examination, detailed academic planning, student support systems, navigate guidelines for 'AMIZONE', and key policies regarding passing criteria, promotion rules, and attendance standards. The sessions continued with sessions on student welfare, discipline, the Mentor-Mentee system, and the "Nasha Mukh Bharat" initiative presented by Ms. Saloni Sinha. Academic insights on the National Education Policy (NEP) and Non-Teaching Credit Courses were briefed by Dr. Sangya Pandey, followed by Dr. Kamna Tiwary's session covering teaching-learning strategies, Course Learning Outcomes, and Professional Skill Development Activities (PSDA). Anti-ragging guidelines and departmental clubs were introduced by Mr. Neeraj Kumar. Additional informative sessions included details on scholarship continuation, IPRs, startups, social media guidelines by Dr. Sangya Pandey, career opportunities via the Placement Cell by Pro. (Dr.) Sweta Priya, HOI and the annual sports fest 'Sangathan' by Mr. Srikant Manubansh. Last but not the least students got the most valuable guidance from Dr. Vivekanand Pandey, Hon'ble Vice Chancellor. Finally, the day concluded with document verification and a vote of thanks delivered by Prof. (Dr.) Sweta Priya.

EVENTS

Debate Competition: Voices of Democracy Youth, Technology and the Future of Society

15th September 2026 | Seminar Hall, Amity University Patna

.Marking World Democracy Day, ASCS organized a parliamentary debate competition centered on the theme "Voices of Democracy: Youth, Technology and Future of Society". Participating teams engaged in deliberate discussions evaluating how modern technologies influence democratic participation, public discourse, governance, and youth empowerment in contemporary society

Anti-Ragging Awareness and Sensitization Programme

25th September 2026

Amity School of civil Services, Amity University Patna organised an Anti-Ragging Awareness and Sensitization Programme for the senior batches to reinforce the institution's commitment towards maintaining a safe, respectful, and inclusive academic environment. The programme sensitized students about the adverse physical, psychological, social, and academic consequences of ragging and highlighted the University's zero-tolerance policy towards any form of ragging.

Students were briefed about the applicable anti-ragging rules, students' responsibilities, preventive measures, and the appropriate channels for reporting any incident or concern. The session also emphasised the importance of mutual respect, responsible senior-junior interaction, discipline, empathy, and maintaining healthy peer relationships. The programme successfully enhanced awareness among senior students and encouraged them to act as responsible members of the Amity community by promoting a positive and supportive campus culture.
